Our Parish Centre Project

After many years of patient waiting and planning, work finally started at the end of August. If all goes well, the building should be completed in August 2026. We have sufficient funding to complete the exterior but need to fundraise for the interior. The foundations for the building are in progress. Please pray that the project build goes smoothly.

Thanks for your continued amazing support!

METHOD OF GIVING

We are very grateful for whatever method you use. However, if you are making a large donation please speak to us first, as we do get charged fees for some methods. There are no fees if you donate via bank transfer or cash and means that 100% goes into our pot.
