IN THE PAST TWENTY-NINE YEARS over 164 adults and 30 of their children have become full members of our Church at Eastertime through the Rite of Christian Initiation of Adults (RCIA). They have been wonderful occasions for the whole parish.

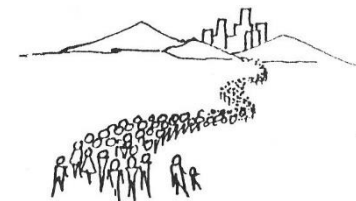

People have all sorts of images in their minds about how people become Catholics.

IN OUR PARISH people meet together once a week during term time to discuss their faith and what people believe that Catholics think. We call this process “Journey in Faith”. The group consists of people from the parish and those who are interested in becoming Catholics. All are welcome but no one has to stay. If someone feels it is not for them, they will not be pressured into staying.

THE PROGRAMME WILL BEGIN IN SEPTEMBER. I believe that it is one of the most wonderful things we do together in our parish.

IF YOU ARE INTERESTED why not fill in the form on the opposite page and drop it back to the Priest’s House or email to dockhead@rcaos.org.uk as soon as you can.
